Shirley Trapani  
6800 Burleson Rd, Bldg 310, Ste 165  
Austin, Texas 78744

**Aging Services  
Council  
of Central Texas**

## **Membership Agreement 2023**

As a member of the Aging Services Council, I/we agree with the vision of the organization:

**Vision: Central Texas older adults have the opportunity to live healthy, safe, and meaningful lives in our communities.**

As a member of the ASC, I/we commit to the following core values:

Respect: We respect and value the many contributions that older adults make in our community. We recognize that financial contributions are not the primary measure of a person's value to society. We engage older adults in all levels of our work and advocate for their involvement throughout the community.

Commitment: We are dedicated to learning, understanding and responding to the changing and basic needs of older adults, especially those who are low-income or without a support network. We are committed to creating opportunities that help older adults age in place with dignity, high quality of life, and as much independence as possible.

Collaboration: We partner together to better address community needs, share information and resources, develop innovative collaborations, and educate the community on the critical issues related to aging and caregiving.

Leadership: We are committed to our role as the lead community planning body to identify key issues and trends, map community needs and assets, define priorities and develop strategies that effectively increase the Central Texas region's capacity to support a rapidly growing aging population.

As a member of ASC I/we agree to support the work of the Council by:

- o Attending regularly scheduled Council meetings
- o Participating in the work of the Council committees
- o Maintaining good standing as defined by the bylaws so as to be eligible to vote

Note: Each Member (whether individual or organizational) may only have one vote. For organizational memberships please complete one membership agreement and provide the name(s) of individual(s) who may represent the organization at the time of a vote.
